

AFTER SCHOOL CLUB — SPRING 2026

SELS 3D Pen Club

Dream It. Draw It. Bring It to Life.

What is a 3D Pen?

A 3D pen draws in the air using melted plastic that hardens instantly — letting you create sculptures, art, and structures freehand! No experience needed, just bring your creativity. We'll provide all materials and guidance.

Session Dates

Every Thursday · 3:25 – 4:25 PM

SESSION 1

Apr 23

April 2026

SESSION 2

Apr 30

April 2026
